1. The DeepFashion dataset is available for non-commercial research purposes only.
 2. All images of the DeepFashion dataset are obtained from the Internet which are not property of MMLAB, The Chinese University of Hong Kong. The MMLAB is not responsible for the content nor the meaning of these images.
 3. You agree *not to* **reproduce, duplicate, copy, sell, trade, resell** or **exploit for any commercial purposes**, any portion of the images and any portion of derived data.
 4. You agree *not to* further **copy, publish** or **distribute** any portion of the DeepFashion dataset. Except, for internal use at a single site within the same organization it is allowed to make copies of the dataset.
 5. The MMLAB reserves the right to terminate your access to the DeepFashion dataset at any time.

Please click the check box: ☒ I understand and agree all the above five requirements.
